

## Figures

Figure 1: A line graph showing the relationship between the number of figures and the number of pages. The x-axis represents the number of figures (0 to 10) and the y-axis represents the number of pages (0 to 20). The data points are as follows:

Number of Figures	Number of Pages
0	0
1	1
2	2
3	3
4	4
5	5
6	6
7	7
8	8
9	9
10	10

The diagram shows a control system with the following components and connections:

- Block 10**: A large rectangular block on the left.
- Block 9**: A smaller rectangular block in the center.
- Block 11**: A rectangular block at the top right.
- Block 1**: A large rectangular block on the right.
- Block 14**: A rectangular block at the bottom right.

Connections and labels:

- An arrow labeled **7** points from block 10 to block 9.
- An arrow labeled **12** points from block 9 to block 11.
- An arrow labeled **13** points from block 11 to block 1.
- An arrow labeled **8** points from block 9 to block 1.
- An arrow points from block 1 to block 14.
